ELIZABETH GREGORY HOME
ANNUAL REPORT
2019
Albert Einstein once said that “nothing happens unless something is moved” and in 2019 there was a lot of moving going on at the Elizabeth Gregory Home! Having been familiar with EGH since they were created, it is personally exciting for me to see the tremendous growth that the organization has done to increase our commitment to helping the women who rely on us. We are indeed in a season of growth.

In 2018 we grew with the additional space adjacent to our Day Center which will allow a much-needed commercial kitchen. In 2019 the work truly began in determining the architectural details and implementation of plans for the creation of this new space which will include the kitchen, seating area and additional office space that hopefully will be completed in late 2020/early 2021. We also grew with the implementation in January, 2019 of being open six days a week. This meant the growth of additional staff whose talents and skills helped us meet the needs in our efforts to end homelessness.

Members of University Lutheran Church (ULC) originally started EGH, and in 2019 we finalized a ten-year lease with the church. This is crucial for both stability and obtaining financial support from external donors. It also means we are growing where we started and that we plan to be here for years to come. Our annual event in March also moved to the University of Washington campus which allowed the event to grow in both size and exposure.

Everything that is done at Elizabeth Gregory Home focuses on our core values of Respect, Inclusion, Community and Empathy. Those foundations are practiced by our dedicated staff, volunteers and our expanding and growing Board of Directors. But nothing happens without exceptional support of our valued donors. Because of your belief in our mission to accept and help the women who access our services, we are able to provide this personal report that demonstrates our growing numbers and ways the women are served! Thank you!
In 2019, EGH had an income of $1,134,167. The total expenses for 2019 were $814,141.

“My Sunday mornings at EGH are the best start to my week. It brings me joy to be a part of a nonprofit organization that strives to create a safe refuge for homeless and at-risk women. As a fairly new board member, I am ecstatic to further my contributions in EGH’s growth and development. Overall, it is truly inspiring and such a privilege to be a part of a community of staff, donors, clients, volunteers, and board members that value and want to see EGH succeed into the future, helping women in need.”
